# Ignite! 2018 Teams

**11th Principle: Consent**
The 11th Principle: Consent team helps teach everyone how to express their own personal boundaries and how to ask for consent when interacting with others.

**Art Grants**
The Art Grant team encourages everyone to submit their ideas for art projects and then manages the process of awarding funding for those projects.

**Center Campus**
The Center Campus team organizes the Friday night SPARK FIRE Variety Show.

**City Planning**
The City Planning team helps make sure everyone has a space to camp and have fun.

**Concierge**
The Concierge team helps greet everyone as they arrive, helps make sure everyone knows the 11 Principles, and helps shuttle everyone from the parking lot to their campsite.

**Conclave & Drummers**
The Conclave and Drummers team helps make sure everyone is safe while they perform around the effigy and plays music while we watch the effigy burn.

**Department of Public Works (DPW)**
The Department of Public Works (DPW) team helps take care of the land and setup the temporary structures in Combustia.

**Fire Response Team**
The FRT inspects all fire flame effects to make sure we are safe at each of the camps. They also help watch after Friday night Art Burn, Effigy, and Kid's Effigy.

**Gate**
The Gate team is the very first people you see when you arrive at Combustia. They take our tickets and give us our wristbands.

**Illuminaughty**
The Illuminaughty team hangs lanterns each night so we can see as we move around Combustia.

**Inventory**
The Inventory team packs and brings all of the supplies that each team uses at Ignite! Then they take it all back to the storage unit when we are done.

**Leave No Trace (LNT)**
The LNT team teaches us how to not leave a trace and helps make sure there is no trash left behind. Sometimes we call trash a funny name like MOOP which means "matter out of place".

**Logistics**
The Logistics team helps keep track of all the walkie talkies that each team uses while in Combustia.

**Parking/Traffic**
The Parking/Traffic team helps all of the vehicles get in, out, and parked as fast as possible so we can have more time to have fun.

**PIMPs**
The PIMPs team helps make sure we have lots of fun activities to do while at Ignite! They also help remind us of these fun things by shouting into megaphones so we don't forget where to go.

**Rangers**
The Rangers walk around Combustia and help make sure that everyone is playing nicely with each other. If you need help or get lost, you should talk to them so they can help you.

**Sanctuary**
The Sanctuary team is there to help us if we get too overwhelmed by the event. They provide a nice quiet place where we can relax, talk, or just rest.

**Signage**
The Signage team prints all of the signs that help make sure we don't get lost on the property.

**Spark Scouts**
The Sparks Scouts team organizes fun activities for everyone that is younger than 18. Sometimes they like to teach us things too.

# Ignite! 2018 Playform Schedule

This is a list of kid-friendly playforms.

## Friday Playforms

**2pm-3pm Mask-Making Mayhem** hosted by Emily Bond and Aaron Averill
Location: Playground 1
Each participant will create a unique mask to show off to all your friends. With your neat new accessory, you'll be the envy of your camp!

**3pm-4pm Saucy's Smooth Moves** hosted by Saucy
Location: Playground 4
I want to teach everyone about Acrylic Fluid painting and how fun and amazing it is for every age! It is a fluid and movement painting style that will always generate a different beautiful result and masterpiece by mixing techniques. Super cool and will bring out the artist in everyone and hopefully motivate everyone to try their own techniques!
What to bring: A canvas and acrylic paint (will have some but if you want a specific color to bring it, the more the merrier)

**5pm-6pm Slow Flow Yoga** hosted by Hootdaddy
Location: Playground 4
Suitable for all ages, this slow flow class will focus on basic yoga poses, alignment, and awareness of the body in space. Beginners welcome too.
What to Bring: yoga mat

## Saturday Playforms

**10am-12pm Spark Scouts Gifting** hosted by The Spark Scouts
Location: Spark Scouts HQ
Join us as the Spark Scouts learn about the principle of Gifting. Participants will receive a Spark Scouts Principle sticker that has been specifically designed for this workshop.

**12pm-1pm Balloon Twisting** hosted by Jeff Binder
Location: Playground 3
Learning basic balloon twisting techniques.

**1pm-2pm Kidsongs Parade** hosted by Peaches
Location: Playground 3
We'll lead the lil' burners on a singing parade through Combustia!

**2pm-3pm Paper Lotus Flowers** hosted by Erin
Location: Playground 1
Learn to make a folded paper lotus flower. Use calm organic colors to make a beautiful addition to a peaceful space or pick something a little wild for an almost creepy little-shop-of-horrors worthy creation.

**2pm-4pm Spark Scouts Immediacy** hosted by The Spark Scouts
Location: Spark Scouts HQ
Join us as the Spark Scouts learn about the principle of Immediacy. Participants will receive a Spark Scouts Principle sticker that has been specifically designed for this workshop.

# Sunday Playforms

**10am-12pm Spark Scouts Participation** hosted by The Spark Scouts
Location: Spark Scouts HQ
Join us as the Spark Scouts learn about the principle of Participation. Participants will receive a Spark Scouts Principle sticker that has been specifically designed for this workshop.

**12pm-1pm Our Robot Friends** hosted by Jeff Tipton
Location: Playground 2
Robot is my friend and he likes to draw pictures. I'll show you how I built him and demonstrate what he does.

**12pm-1pm Ancient Art of Whistling (& Silly Noise Making)** by spiral jason
Location: Playground 4
This playform is fun for all ages, no previous experience is necessary. A 33rd level Master Whistler will teach you how to whistle, hum, snap, drum, pluck. We'll also experiment with advanced whistling techniques and learn how to make silly noises using your hands and with the aid of other objects such as acorns, bottle caps, pen tops, dandelion horns, & more! Participants will have a chance to make, decorate, & keep your own handmade musical instrument and noisemaker made from wax paper, rubber bands, and cardboard tubes.

**2pm-4pm Spark Scouts Radical Self-Expression** hosted by Spark Scouts
Location: Spark Scouts HQ
Join us as the Spark Scouts learn about the principle of Radical Self-Expression. Participants will receive a Spark Scouts Principle sticker that has been specifically designed for this workshop.
